The story of Caviros Winery begins in 1965 in the small town of Thiva, where our infinite passion for wine-making was brought to life. Caviros is named after the mystical ancient Greek deities, protectors of the grape and land. One of their temples is located near our winery in Thiva.

Discover our aromas, flavors and philosophy. Enjoy simple at its finest by selecting our Aperitos range of wines or explore our premium life ritual line, Caviros.
